DEDICATION

The 1987-88 Cupola is dedicated to Dr. David Horner, our new president. Dr. Horner's ability to relate to students is well known throughout the campus. His emphasis on campus-wide involvement was first shown during a challenge he gave to students during chapel in the beginning of the year. In an effort to encourage students to get involved in campus activities, he first outlined his dubious dancing talent, then promised to come to a student dance if people got involved. He kept his promise later that fall, and was the hit of the evening.

Other students know Dr. Horner not as a dancin' dude, but as a professor in the classroom. His business ethics course was known as "the" class to take in the winter term. His open door policy for students emphasized the high priority placed on communication as he also worked hard to improve North Park's relationship with the Covenant.

For his ability to get an intuitive understanding of the spirit of North Park and then bring it to new heights, we dedicate this 1987-88 yearbook to Dr. Horner.

ACTIVITIES

NEW STUDENT ORIENTATION

New Student Orientation is held the week before classes begin. This is when all get acquainted with each other, N.S.O. staff, and some faculty members. This year's N.S.O. was organized by Brenda Carlson, Cindi Kasen, and Pam Nordwall. The theme of the week was "The Wild, Wild Midwest" and such things as a square dance, western movies, Chicago city tours and a boat dance were planned.

Each year the Resident Women's Counsel sponsors "Big Sis/Little Sis". This is when many upperclass women sign up for a new sis, either a transferring student or an incoming freshman. The Big Sis's main goal is to show her little sis the ropes of North Park.

Sunday, September 27, 1987 marked the inauguration of North Park's eighth President in what proved to be a festive day. Dr. David G. Horner received the medallion of the presidency from Dr. Paul Larson, the President of the Covenant, in a ceremony attended by faculty, students, administrators, board members and former NP Presidents. In addition, delegates representing over 75 academic institutions were in attendance. Dr. Horner's wife, Susan, led the procession of visiting delegates, representing Harvard University.

Responding to the charges, the Pres. Horner responded to saying, "We look to God with sure hope for the future of North Park, believing that the One who began this work nearly 100 years ago will continue to be and enables and sustains in the days ahead."

Following the festivities in the gymnasium, a reception was held on the front campus to honor and affirm Dr. Horner and his family.

The Student Association Senate is the representative body between the students and administration, faculty, and staff. Each class elects four representatives, who work under the direction of the president, vice-president, secretary, and treasurer. Additional committee chairs and representatives are elected by the Senate.

This year's Senate experienced a lot of success, due to the hard work and commitment of the senators and committee chairmen. Some of the major accomplishments included providing a balanced budget with debt retirement, resolving the '86-'87 Cupola problem, and moving the game room to Campus Center.

Major Capital Improvement projects included lighting the Cupola, providing a wide screen TV for the Viking Lounge, purchasing sound equipment, and providing money for weight room improvements.

The SA greatly appreciates the efforts and support received from sponsors Joey Ekberg and Dean Arthur Nelson.

RWC

Resident Women's Council planned several activities throughout the year and some of them included Big sis-Little sis, roommates revenge, Valentine's Day banquet, Winter Olympics, and the Spring Brunch. For the first time this year RWC sponsored a moonlight cafe in which the mood was set with a dimly lit coffee bar with entertainment and some outstanding acts and Dr. Horner and Mr. Bragg as MC's. It was a smashing success and an evening enjoyed by all.

RMA

The Resident Men's Association created some fun-filled and exciting events for the 1987-1988 student body. Our main goal was to provide an enjoyable living environment for the students, and that is exactly what we did, and a lot more! RMA created the first Tail-Gate Party featuring kegs of root beer and dancable music. And to make the Christmas season a little jollier, we provided the favorites during a movie fest, including *Christmas Story* and *It's a White Christmas*. RMA purchased microwaves for the men's dorms and cable T.V. for the T.V. nuts in Sohlberg. With the help of RWC, RMA sponsored the Fourth Annual Winter Olympics, which was a huge success.

COLLEGE NEWS STAFF

Planned, written, and edited by students, the *College News* is published at least seven times each term. With Apple computers blossoming all over campus, the *College News* was not left out. This year the almost weekly publication was computerized, and changed to a bond paper over newsprint. In spite of several staff and technical changes, the *College News* strove to bring current issues and activities to the attention of the North Park Community. The 1987-88 staff consisted of Terri Cluff as editor, assistant editors Renee Henning and Todd Hopkins, copy editor Joan Moran, advertising manager David Conrad, business manager Mary Bartolomei, production manager Jeff Fleege, faculty advisor Dr. Nancy Arneson, and Layout editor Heather Parker

THE NPC CHOIR

The 1987-88 North Park College Choir, under the leadership of second year director Gregory Athnos, had the distinct privilege of spending the first five weeks of the year with the world-renowned Norwegian composer and conductor Knut Nystedt. The choir had the honor of performing the American premiere of one of Dr. Nystedt's works. Throughout the year, the choir concentrated on the performance of Scandinavian music, not just the music of the famous composers, but also folk music and music by several unknown composers. Concerts included a program under the direction of Knut Nystedt in October as well as the traditional Queen of All Saints concerts and the annual Orchestra Hall concert in May. In addition, the choir toured Michigan, Indiana, Illinois, and Minnesota during Project Period. Above all, the choir has many talented and young members. We are looking forward to continuing the tradition of excellence by the NPC choir.

The Gospel Team Ministry strives to praise God in music, drama, and testimony as team members perform in churches, schools, and hospitals. The teams are formed in the fall of each school year, and team members are chosen based on sight reading ability, vocal quality, and spiritual commitment. Along with sharing their faith, the team members bring with them the spirit of North Park, which has become an important means of attracting new students.

One group each year is chosen to travel together the following summer, touring various areas of the country. This year's touring team, Spectrum, traveled to the East Coast, CHIC, Iowa, Minnesota, and other parts of the Midwest, concentrating primarily on Covenant camps. Team not pictured—"Crossroads"

TRI-BETA

Tri-Beta is the national biology honor society at North Park College. The Theta Mu Chapter attempts to promote and further develop a better and more appreciative understanding of the biological sciences. At the fall induction of fifteen new members, Dr. Calvin DeWitt from the University of Wisconsin and the DuSable Institute presented a lecture to fifty members on "Ecology and the Christian's Responsibility". The annual chili dinner/volleyball challenge against Kappa Mu Epsilon was held in the Spring and featured the celebrated world renowned chili prepared by professor A.T. Johnson. The academic year ended with a presentation by Dr. G. Timothy Johnson, Medical Consultant for ABC News and a North Park alumnus. Dr. Johnson spoke on the topic "Medicine and the Media" and was taken to dinner by several Tri-Beta students for a time of informal interaction. The offices of Tri-Beta this year were: Scott Larson, President; Thomas Swan, Vice-President; Greg Nelson, Secretary; Sia Lo, Treasurer and Todd Love, Historian.

Kappa Mu Epsilon is a national mathematics fraternity designed for undergraduate students. KME's primary goal is to develop an appreciation for the power and beauty of mathematics. This society provides recognition to students for outstanding achievement in mathematics at the undergraduate level. Membership is by invitation each spring.

FOOTBALL CHEERLEADING

The cheerleaders had quite an experience this year during the football season. They felt that despite the fact that it rained at every single home game, there were rewards that went along with the trials. Perhaps the greatest part was to see the attitude of the whole team. They never gave up, each game they went out onto the field with enthusiasm and determination. It was great for the cheerleaders to see guys who never gave up. And of course, the fans were a vital part of keeping the spirit up, braving the weather all season long.

Connie Anderson, Linnea York, Nancy Danielson, Karen Engelbretson, Janine Ramgren, Kristin Anderson, Carrie Beckman

BASKETBALL CHEERLEADING

With the spirit of nine super-charged and dedicated Viking women, the 1988 basketball cheerleaders proved that the fans at North Park are as much a force to reckon with as its teams. With the primary goal of honoring our championship b-ball team the girls, present at every game, brought cheerleading at North Park to new heights with new mounts at every game and a variety of new floor cheers with difficult rhythms and movements. With the leadership of captain Connie Anderson, the team which consisted of Jennifer Bergeson, Tami Callardo, Tammy Rilley, Sandy Pellizzaro, Kristin Pool, Charise Olson, Margaret Johnson, and Melissa Volpe, strove to set an example for NPC cheerleaders to come of what can be accomplished in the name of Christian athletics.

POM PON SQUAD

This year proved to be a most successful year for the squad. There were several fundraisers held, which generated enough money for new uniforms. The excitement of new uniforms and the efforts made to pull together made for a unified squad, as well as fine performances.

SPANISH CLUB

1988 was a special year for the Spanish Club. Club members worked hard in organizing eight excursions in and around the city, and two fundraisers- a taco sale at the homecoming football game and the Faces 88 dance, whose proceeds went to Carl Nixon's medical clinic in La Mora, Mexico. The club also sponsored various special events including the forum on Central America and a dinner with missionary Nancy Reed.

This year the Spanish Club was proud to host the first Mexican exchange student in North Park's history and encourage continued involvement in the Winter Term study program in Morelia, Mexico.

The North Park Spanish Club is an active group of students interested in the Hispanic language and culture, who dedicate themselves to the task of incorporating it into the North Park community.

URBAN OUTREACH

The Urban Outreach Ministries are a vital part of the extra-curricular life at North Park, offering the opportunity to get involved, and give to others at the same time. They're also a fabulous way to see a different side of Chicago. The different ministries include Adopt a Grandparent, Chapel Wheels, CYCLE, Food Pantries, Habitat, PACE, Pet Therapy, and Shelter for the Homeless.

Dave Bach

1987 marked the first year of the "new" North Park Football Team. While the team suffered an 0-9 record, the spirit of the team has never been better, and the future has never looked brighter.

The reason for this change is Craig Fouhy and his new coaching staff. While they plan to bring a winning tradition back to NP Football, their focus carries far beyond the scope of wins and losses. They hope to establish a team that shows character both on and off the field. This year's team has undoubtedly caught on to that spirit.

Despite the team's record, four players received All-Conference Honors. Dan Rusk was named a second team All-conference linebacker and was also voted by his teammates as the most inspirational player. Scott Zalke was named to the second team as a defensive back while Todd Love and Jim Bergquist were given honorable mention as a wide receiver and a tackle. The captains of this year's team were Love, Rusk, Tim Whalen and George Zalewski.

The '87-'88 Women's Volleyball Team was lead by team captains Kerri Anderson and Kelly Conner. It was a year of many changes and lots of hard work. The team suffered many injuries throughout the season but continued on strongly in spite of it all.

The North Park Men's Power Volleyball Team coached this year by the NPC Women's Assistant Coach Lenny Salavatore, finished the season with a 4-7 record in match play. The Vikings fought hard throughout the season with 6 matches being decided by a 5th game. North Park belongs to the Chicago Collegiate Conference, playing Northwestern, Trinity College, University of Illinois-Chicago, and Moody Bible Institute. The 1987-88 team while very young, will prove to be a strong contender in the coming years.

MEN'S CROSS COUNTRY

The 1987 men's cross country had its best season ever, with six All-State runners. The maturity of the team was reflected in the record of this year's team. Highlights included second place in the state meet, fourth in the CCIW, and ninth in the NCAA regional, all which were the highest places the team had ever attained. Senior Dan Dietrich was named MVP for the season, and was both All-State and All-CCIW. He came in first in the NP Classic, creating a new meet record time. Senior co-captains Victor Cooper and Paul Jorgenson were also named All-State. Juniors Kirk Anderson, Jim Harding, and John Gustafson were a strong support to the team, and were also named All-Staters.

WOMEN'S CROSS COUNTRY

Ann Stahl

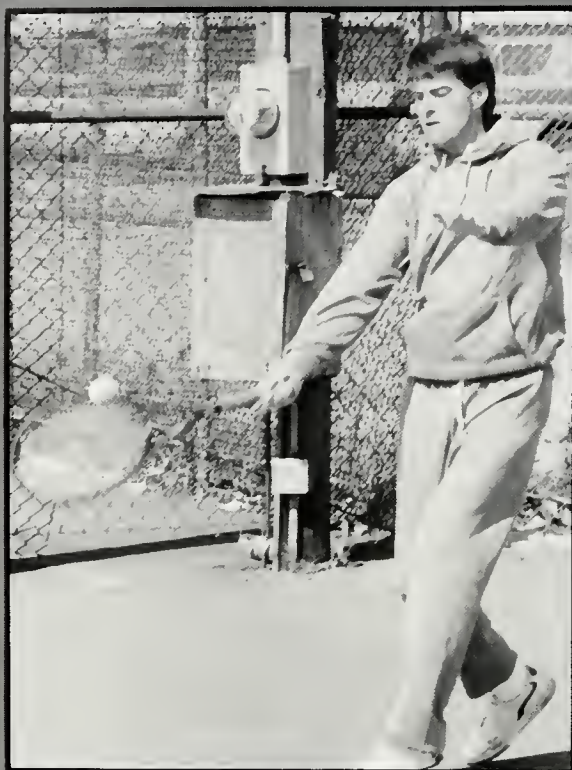

North Park women excelled this year in cross-country, with several first-time accomplishments. North Park has the privilege of being the first CCIW school with two national qualifiers, Janice Swanson and Ann Stahl. This was also a year for the first women's "All-American" from North Park, Janice Swanson. Finally, this was a year for the highest place ever in the NCAA regional, finishing eighth. Perhaps the runner with the most notable season was Janice Swanson, who not only was the winning runner in six meets but also had record times in every one of them.

The Men's Varsity Tennis Team did not have a banner year after losing their top two players to graduation. Mary Matson coached the Vikings to a 4-12 season record into the CCIW Tourney. The Viks jumped to a 2-0 start only to lose the next 12 matches. The team was lead by seniors Rob Mitchell, Scott Larson, and Swedish Exchange Student Magnus Dahljo.

Practicing diligently through the summer and winter and a drastic line-up change, the Women's Tennis Team came up short with a 4-10 record. Senior captain Renee Lindahl stepped in at the number one position after the team lost three strong seniors from last year. The number two position was played by sophomore Jennifer Mankell. Joining the team and playing at the number three position was freshman Kristina Lindberg. Betsy Gustafson, Andrea Carlson, Krista Lownsberry and Kristen Soderstrom added much support and gave depth to the team, filling out the lineup.

The varsity men's basketball team continued its winning tradition this year, with a record of 19-7. Their conference record of 12-4 garnered them a respectable third place in the CCIW. Mike Barach was the season high scorer, averaging 22 points per game. Michael Starks showed all-around ability with an average of 20 points and 11 rebounds per game. Dan Mulkerin tied Michael Starks in rebounding, also averaging eleven per game. The team was coached by Boskoi Djurickovic, Mark Pytel, and Keith MacDonald.

Women's basketball, finishing with a 20-8 record, had their best season ever. Behind the coaching of Rebecca Djurickovic, their 13 and 3 conference record won them the CCIW championship, becoming the first NP women's team to take a conference title. The team spent spring break in Oskaloosa, IA, making their first NCAA tournament appearance.

Junior Captain Janice Swanson led the team in individual awards. She was named the CCIW's "Most Outstanding" player of the year as well as being named to the all-tournament team in regional play. Susan Swanson finished second in the nation for 3-point baskets made per game, sinking 75 throughout the season, and setting a national record by making eight in a tournament game. Terry Haller was named to the first team and Barb Dunn the third team all conference. Dibbit Oudal was the fifth player in the starting line-up, completing a unit that worked very well together.

The Women's Track Team, with only nine women competing, placed 3rd in the CCIW meet behind the meet MVP and team captain Janice Swanson. Swanson won three events and placed in five others. Swanson's efforts also earned her two berths to the NCAA Nationals. Zoe Custer was NP's other individual CCIW champ winning both the discus and the javelin. She also placed 2nd in the shot put. Ann Stahl earned all-CCIW honors in the 800m, 5000m, 10,000m and 1600m relay. Terry Haller earned all-CCIW in the high jump, triple jump, 100m and 400m hurdles, 400m relay and 1600m relay. The men's and women's teams also combined to place 2nd at the Knox Coed Invitational. The men's team, led by senior captain Victor Cooper, had three all-CCIW performers. Cooper was less than a second behind the NCAA Indoor National Champion in the 800m and placed 2nd at the CCIW meet. Jr. Kirk Anderson earned all-CCIW honors in both the 1500m and the 5000m. Jr. Jim Harding was the other all-CCIW performer for the men placing 7th in the 3000m steeplechase.

A Prayer for the Graduating Class of 1988

Father God, as we honor those who have so faithfully pursued
the blessing of knowledge,
we ask that you would add to that gift today
the blessing of *renewal*.

Renew their confidence
in Christ's desire to use their dreams and abilities
in service for Him . . .

Renew their commitment
to each other as co-laborers in the fields you have ordained . . .

Renew their compassion
for the lost and needy world into which you send them now,
armed with your Spirit, with your vision
and with the Good News of a living Savior's love!

Amen
